BESIDES, WHAT HAPPEN WITH MIBU CLAN HAS NOTHING TO DO WITH YOU, HUH?

BUT YOU URGED HER TO COME ALONG, RIGHT?

You've just seen what happened just now

Who has been paying this journey all along——!

OF COURSE IT HAS! IT TURNED OUT TO BE MY BROTHER IS RELATED TO MIBU CLAN, AND I WANT TO SEE THE PROVE WITH MY OWN EYES!!

AT THE JYUKA FOREST

KYO, IF WE CONTINUE LIKE THIS, WE'LL DO THE SAME MISTAKE!

NEXT TIME, WE WON'T HELP YOU.

you gotta protect yourself

YOU ARE ANNOYING, BUT WE LIKE YOUR SPIRIT

IT'S MUCH SAFER WITH US

IF YOU WANT TO GO HOME, YOU'LL GET LOST

RIGHT, WE DON'T KNOW WHAT'LL HAPPEN

...EH!?

UH!! THANK YOU!!

EVERY-ONE...

Starting from now, the fight will be fiercer and will demand BIGGER POWER. And that is the moment where Yuya-chan's presence is the most important

The fight showed us that there's the power that Kyo has shown and I felt another presence coming from Kyo

Wa—!!
Yippie !
Yippiee !

I'd like to join the celebration, Yuya-chan but there's one more reason why I want you to stay

yes

And I want to know if those two work together, there'll be an even BIGGER POWER than ever BEEN EXISTED BEFORE

I'm sure, it was because of Yuya, MIBU KYOUSHIRO gave Kyo more freedom to use his body

It's impossible---

The two of them resent each other

But it feels impossible

...SHINPEI, ARE YOU GOING TO FUBUKI-SAN'S ?

...YEAH...

I'M SURE, FUBUKI-SAN WILLING TO EXPLAIN THE TRUTH TO ME

I WANT TO ASK HIM EVERYTHING... ABOUT TAIHAKU... ABOUT THE PRECEDENCE CRIMSON KING... AND EVERYTHING ABOUT MIBU CLAN THAT I HAVE KNOWN NOTHING OF....

THE HUMAN WORLD IS NOT AS BEAUTIFUL AS YOU'D IMAGINE

THE OUTSIDE WORLD, WHICH YOU WERE ONCE LONG FOR...

WHAT?

SHINPEI, LET ME TELL YOU ONE MORE THING

SHINPEI

SHUT UP!

YOU REALLY ARE AN IDIOT

THE PROSPER MIBU LAND AND THE IMMORTAL MIBU PEOPLE IS AN IDEAL WORLD. MAYBE THIS IS THE WORLD THAT EVERYONE DREAMS OF

THE HUMAN WORLD IS A DIRTY WORLD. THEIR LIVES IS FILLED WITH GREED AND VIOLENCE... IT'S PLAGUED WITH DISEASE, AND THEY LIKE TO KILL EACH OTHER...

IN THAT FILTHY WORLD...

THERE'S ONE THING THAT I CAN ONLY FIND

BUT STRANGELY

KEIKOKU!

THAT'S EDO!

IN THE EAST, THERE'S KYOTO

SHEESH

KEIKOKU!

ONE THING THAT ONLY THE HUMAN WORLD HAS

MAYBE YOU SHOULD GO THERE SOMETIME. I'LL TAKE YOU THERE...

YEAH

I WAS THINKING THE SAME THING

I CAN'T BELIEVE IN OUR BODY RUNS THE SAME BLOOD...

...AREN'T YOU STUPID

WHAT ABOUT YOU?

...STOP FOLLOWING ME AROUND!

LAUGHED!? ARE YOU JOKING!? WHO WOULD'VE WANTED TO SMILE AT YOU...

...

ARE YOU REALLY GOING TO LET ME LIVE?

KYO... LET ME TELL YOU SOMETHING

SOMEDAY I MIGHT CHALLENGE YOU ANOTHER FIGHT...

THEN YOU CAN SEE ME ANYTIME. BUT I CAN'T GUARANTEE YOU'LL BE ALRIGHT

THEIR POWER IS WAY BEYOND US THEY ARE 'GODS'

THE PRECEDENCE COMMON KING WHO CARED SO MUCH ABOUT YOU HAS CHANGED THE TAISHIDO HAS BECOME MORE RUTHLESS AND DEVELOPED GREATER POWER

THE CURRENT MUGU CLAN HAS CHANGED

KYO EVEN YOU ARE NOW HAVE MORE POWER, OR EVEN IF YOU FIGHT TOGETHER YOU WILL NEVER DEFEAT THE GODS !!

I'VE DANCED MY LIFE HUNDREDS OF TIMES AND WALKED PASS THROUGH DEATH HUNDREDS OF TIME THAT IS WHY I HAVE THE TRUE POWER

SHINOBI I TOLD YOU.

GODS

The stare that shines no hesitation

The Red Eyes of a Demon that will take down every opponent and walks in the path he Believes in

It's the same as that time---

With unchanging gaze

The 'demon child' who was Banned from Mibu Clan has now returned

The only difference is

There's one thing I can only find that filthy world

EITHER IT'S 'GODS' OR 'DEMONS' ...

I'LL KILL WHOEVER DARES TO IRRITATE ME... THAT'S THE ONLY CHOICE

...I DON'T KNOW WHAT TO DO. I'M KYO'S MINION, NOW

MURAMASA ASKED SOMETHING FROM ME

I WANT TO KNOW WHY MIBU CLAN IS RELATED TO MY BROTHER

I WILL CONFRONT THAT 'GOD' TO FULFILL MY OATH TO TAIHAKU

I WILL JOIN THE FIGHT WITH YOU UNTIL YUKIMURA HAS RETURNED

WELL, IF WE WANT KYO TO RETURN TO HIS BODY, WE HAVE TO FACE ALL ENEMIES, GODS AND DEVILS

Have made these people gathered

Those pair of red eyes...

Muramasa sama—

'I, Shinrei is starting to understand

The meaning of your words

The true meaning of 'power'

THIS IS THE BEST I CAN DO AT THE MOMENT

THANKS, NO-CHAN

Of course, next up is my turn. But I'm not sure they can watch the fight with ease

They still have the spirit to fight, but their bodies are almost completely powerless. There's no way they can fight with their current condition

'THAT PERSON' IS HERE...

IF ONLY AT A TIME LIKE THIS...

IF 'THAT PERSON' CAME WITH US...

...AAH, BUT I HAVE A HUNCH, 'THAT PERSON' WILL BE HERE

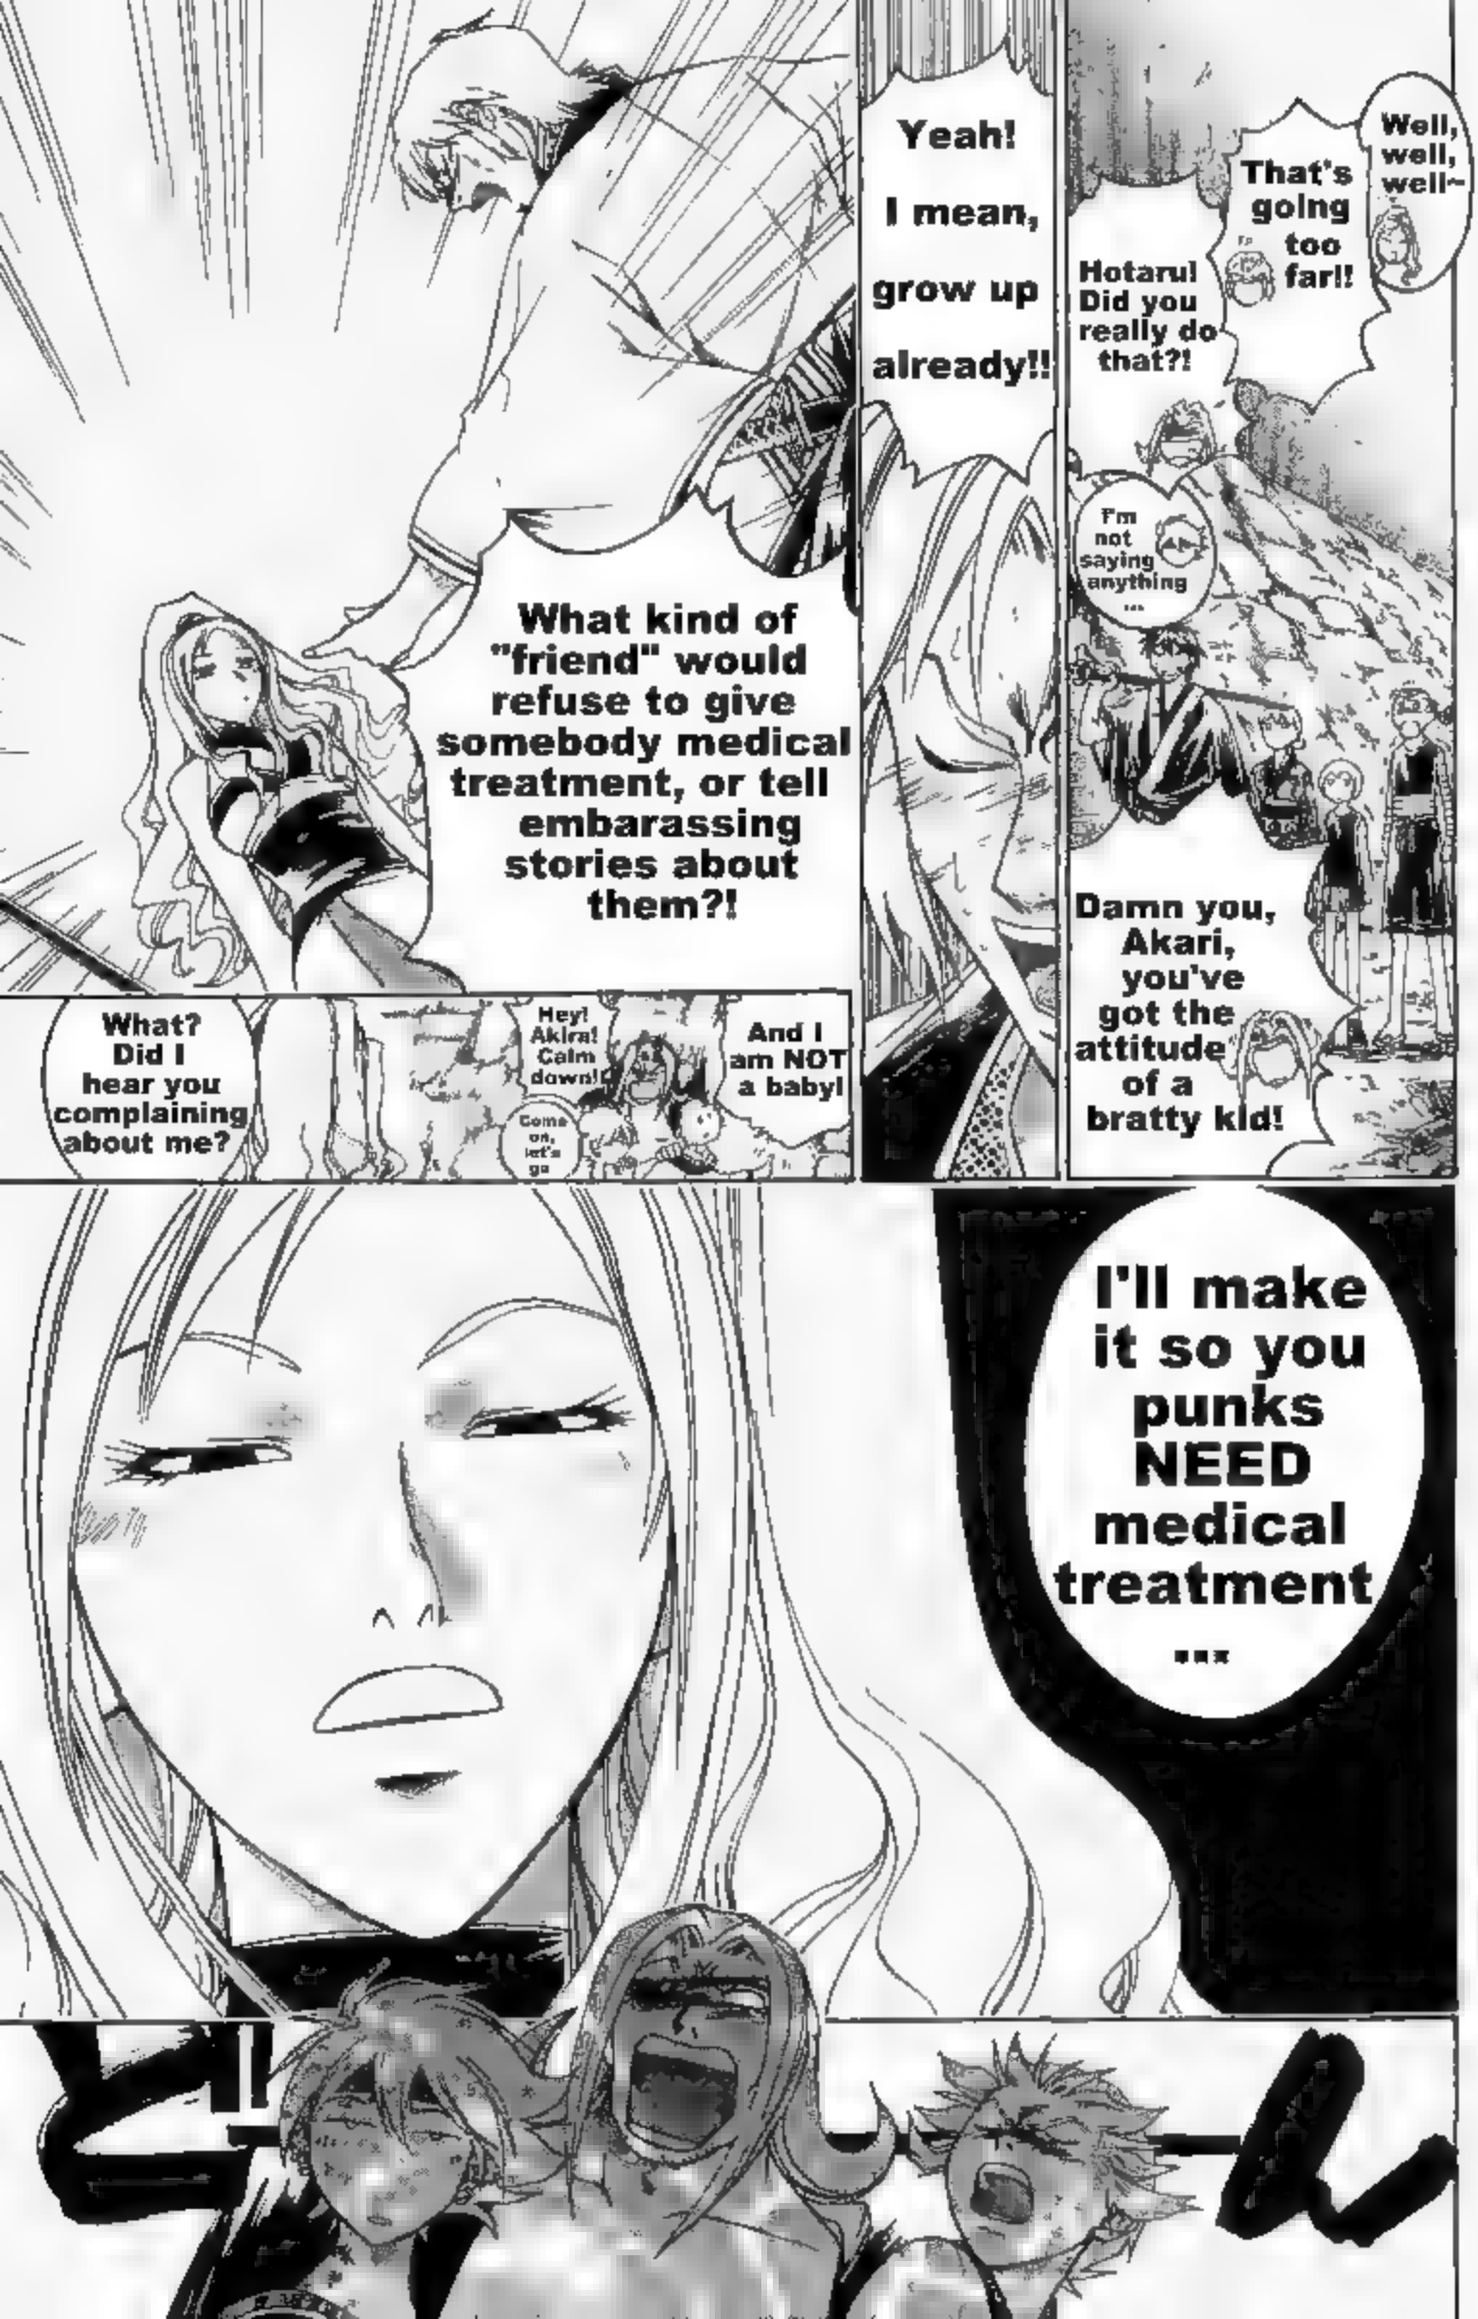
Kyo... I've finally found you...

Looking for you really was trouble some, you know ...
Oh Kyo, it's been so long... You move quickly, but I've heard so much about the carnage you've left in your wake~
Long time no see... "Akari"...
But I had a feeling you three would be here!
Bon and Akira look just as terrified as ever, don't they?
Huh? What's got them so worked up?
There's no way such an elegant and beautiful woman could be "The Worst!"
It's just like old times... All of us together with something to fight for ...
Hehe, I've got you all figured out... you were just trying to scare me away from the hot chick!

she's
THE BEST!
I'd do anything for you
She's not "The Worst..."
I mean it... I've found my dream girl... I can't believe such an *elegant* and *beautiful* woman hangs around with the rest of those Shiseiten... she's like a rose among thorns... I wouldn't mind letting her take care of me
Oh, my poor, dear Kyo, you look so worn out... may I tend to your wounds? (You poor sweetie...)
And those three losers have been with you the whole time? They must have been slacking off ...
Y... yeah !!
I know ... it's trouble some, isn't it?
Uh... yeah! I mean, I've got a few scrapes, but except for this eye... I mean, it's like a badge of honor and all, but...
...I see. And my little Bon is unhurt?
Whoa, they're still in a state of shock...
Hey, you three, just what have you been doing?!
Ah... uh... wait! I mean, we all only just got together!
Well then ...

I'LL GIVE YOU SOME MORE WOUNDS TO MAKE UP FOR IT!!

No? You're all pathetic and lazy!!
You're a disgrace to your own organisation - have any of you worked as hard as I have ?!
YOU'RE IN THE SHISEITEN! We're supposed to be like four GODS OF WAR, serving under Onime no Kyo, the strongest man alive!!
Akira... are you sure you wanna open your big mouth?
I think that's enough ...
And more importantly, Akari, just what have you been doing all this time? Just how hard were you looking for Kyo?!
Hey, that's not fair! We've been doing a lot of stuff...
I've been better
Bon, are you okay?
Hotaru!! Are you still getting so pissed off when Bon beats you at arm wrestling that you blow snot in his food ?
Bon!! You say you're so strong, but you're really just a lightweight !
Akira!! You're a big boy now - do you still need your mama to change your diapers?



What kind of "friend" would refuse to give somebody medical treatment, or tell embarassing stories about them?!
Yeah! I mean, grow up already!!
Well, well, well~
That's going too far!!
Hotaru! Did you really do that?!
I'm not saying anything ...
Damn you, Akari, you've got the attitude of a bratty kid!
What? Did I hear you complaining about me?
Hey! Akira! Calm down!
Come on, let's go
And I am NOT a baby!
I'll make it so you punks NEED medical treatment ...

HAHAHA HAHAHA!! If not for me, do you really think any of you would still be alive in this world of danger?
It's all because I have the power to heal !!
Evil ...
You talentless worker bees have a few pathetic skills, but...
I swear, one day she's going to kill us all ...
evil ...
She's
And between a common worker and a queen, there's no contest in power~! (No contest in sex appeal, either~)
I, the famouse Akari-sama of the Shiseiten, am like the queen bee~!!
... What the fuck?
ガラ
ガラ
HAHA HAHA !!
Are the four Shiseiten ...
あはは
So these ...

So that's how it is, then~?
おほほほ
Oh Kyo, just how did you end up with those three incompetant idiots? A Shiseiten without me just isn't the same~!
Kyo... while I was gone, you missed me, right?
But it's okay now... we're together now... just promise to keep our little secret, and I'll fix you up~ ♡
Speaking of promises ...
you still remember our old promise, right?
... Yeah. That's right
!!
Promise ?
I guess so!

Oh?! Waaai! You really think I'm pretty~?
That's an easy way of putting ...
She's young and pretty. What would she want to do with you ?
You really wanna know? Me and Akari are...
Hey, Kyo, how come Akari-tan pays so much attention to you when you're not even hurt? What's really going on between you two?
Well, you see, a person needs strength to recover from an injury, right?
And you know that a little cut will heal in time ?
Of course, people have various speeds of healing, but there's a certain limit to regeneration. So if you were to cut your arm, it would heal, but if you cut it off, you can't grow it back like a lizard can grow back its tail
But my ability is to support a person's own strength and guide it to heal or regenerate the body even better than a lizard could. I could even grow back an arm!
Tch, I guess it can't be helped
Please forgive me...
You're doubting me ?
How should I know ?
How about illnesses ?
Wow, you Mibu are so cool... you can really do something like that ?
I don't think it works like that

Take a good look as I, Akari-sama, show off my skills!
And in exchange... I want to hear a secret~
Really?
Really?
I'm too straight forward !!
Ah, how boring... You're too serious!
A secret, huh? What kind of huge secret could I possibly have...?
Here it comes ...
I'm always serious about trying to get laid!
Whoa, what's gotten into Benitora ?
Well, that was fun! Now I'll tell you a really juicy secret
Or maybe I should take care of those wounds first...
What's so funny ?!
It's not really a secret
It's hilarious! You totally want me! HAHA HAHA!!
...I don't get it
That's funny!

I humbly request thee to heed my call...
Oh strength that flows through this man ...
Huh ?!
Hey... it doesn't hurt anymore!! Did you heal me ?!
Do be careful, though I only cleaned up the surface wounds
It takes too much time and energy to handle internal damage
Whoa, thank you so much! You're one amazing girl!
Hmm? Aha, well, obviously I "am" the strongest of the Shiseiten, after all
"Most evil", more like it...
Oh well ...

I guess you've still got that arm, huh?
Whatever, just get a move on and heal us
Well, of course. I don't know what you're talking about~
If that's what you say... maybe you really do want to keep that technique ?

Here we go again...
Oof !
Oof !
WHAT?! You might be a cute kid, but you're really just a brat!
I'm cured! Look, look!

Those guys wouldn't be afraid of the Grim Reaper himself, but they're afraid of one person...
I've never seen "The Demon Killer of a Thousand Men" show fear of dying even once... Then same goes for his comrades
But there's some thing even more special about her...
Wow, she really is amazing... She healed him with a smile like it was nothing, but I could tell that was really high-level Buddhist magic... Is there anything she "can't" do?

The legendary Shiseiten are back in action!!

But this is it...

She's got something way more badass than that ...
Akari's real power isn't something lame like healing, anyway
What's with that surprised look, dog-face ?
Heh
I guess you'll see the next time we have a good fight
Something better than healing?
Nobody's seen the true power of the Shiseiten since the last time we were all together...
This is gonna be fun ...
It's going to be fucking insane...
... huh ?!
What you're going to see is going to make history
Whoa... does that mean the Shiseiten are even stronger when they're all together?! You mean they get even better?!
Yeah

Man, this sucks!
Those Goyousei were totally useless! Now what are we supposed to tell the Mibu troops!!
So... what are you going to do, Fubuki-san? Do you think you can handle the Demon Child when he's awakened?
I think I've come to a decision...

I will definitely kill Onime no Kyo...
If we kill the Demon Child now, then all those who secretly supported Muramasa will be exposed! Come on, let me do it!!
No, Tokito, we can't have that
Yeah, you'll finish him off! The quicker that guy dies, the better!
Fubuki-san, please, let me do it!
Whoa, are you serious?! Those guys?!
Yes ...
...Don't tell me you're bringing back Nobunaga
I've already called the Juunishinshou again. It's time we released those monsters ...
We have those four ...

In order to advance our own goals, the Mibu Clan lent him twelve soldiers ...
However, we held back the four Berserker Juunishinshou that were still in the experimental phase... Kubira, Mekira, Haira and Indara
Without their extreme power, Nobunaga's revival was a faulty plan. Nobunaga was doomed from the start. But if you can control them, Fubuki-san, there's no need for most of the other soldiers
They've been locked deep in the dungeons all the time, but those four are stronger than the Goyouseil It's time we set the beasts free ...

I think it's time we found the last Taishirou... he's with "him", though...
I'll have him soon
Hishigi...
...
Yeah, they'll take care of everything! But wait, does this mean it's time for Oda Nobunaga's true revival?

There was a time when he was unrivaled in power ...
And then he was defeated. I think we should revive him, and let him satisfy his anger and resentment towards Onime no Kyo and Mibu Kyoushirou ...
With the help of the Sixth Demon Lord of Heaven, we'll control the world ...
Whoohoo! Hehehehe, and it's not just Kyo... he'll kill them all!
This is going to be so much fun!!
We'll make the humans remember what it's like to know fear... they will prostrate themselves before the awesome strength of our clan!!
Finally ...

This world will be a hell littered with corpses... the seas will flow with blood...
Fufu fufu fufu ...
HAHA HAHA HAHA HAHA !!

Chapter 177: Akari-chan

Is that true ?
Probably not...
WHO WEARS DIAPERS?! WHO!?
But Kyo ...
Sheesh... You're such a pain. You still need me to change your diapers
But he'll have to tell another secret...
Ugh ...
It's okay, Akira-san, you can just get healed again!
You're no trouble at all ...
Won't you let me take care of you, too?
With a little time and my houriki powers, I'm sure I can make you good as new!
Oh Kyo... just what kind of trouble have you been getting into?

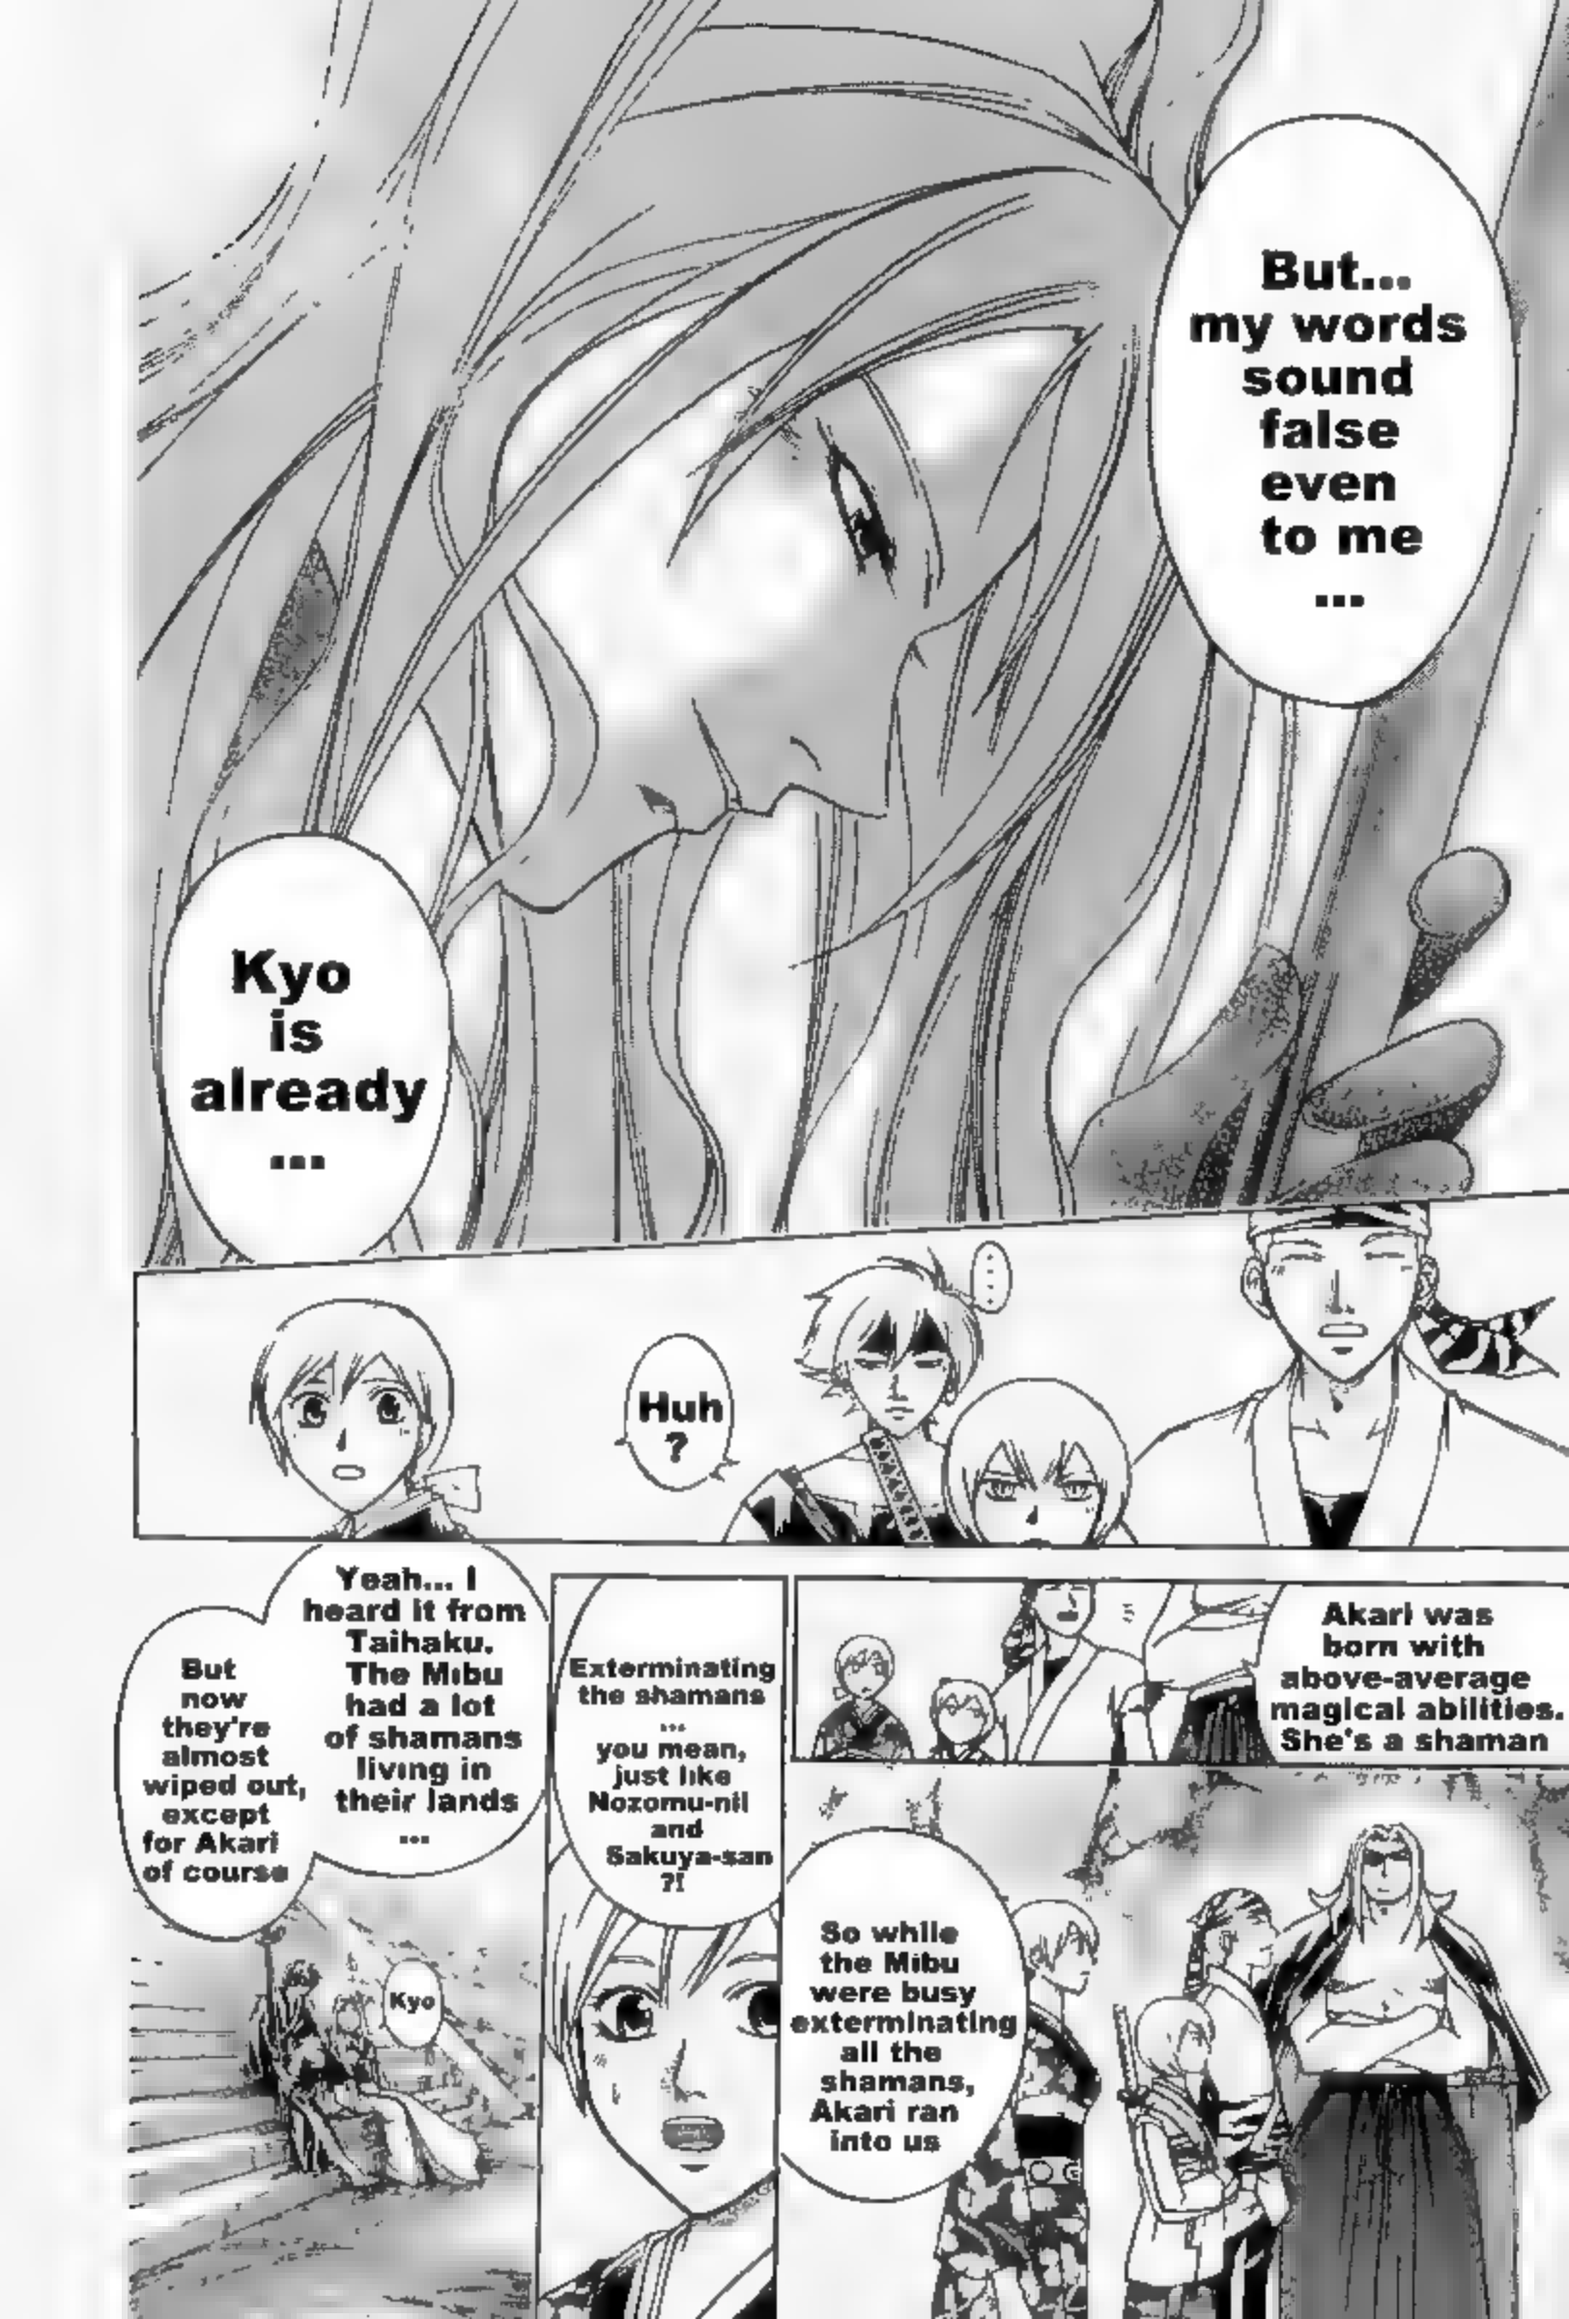
To obtain speed that even a master swordsman can't match, and power that strikes fear in people's hearts, well, that requires a lot of wear-and-tear on the user's body. And Kyo isn't in his real body ...
If Kyoushirou hadn't lent Kyo his strength during that last Byakko... Kyo would be completely powerless by now
Well, first he used Suzaku... and then Byakko on top of that...
I guess it's true after all.... what Muramasa was worried about... the effect of the Mumyou Jinpuu Ryuu Qugi on Kyo's body...
Kyo... can I ask you not to push yourself so far? Everyone has limits, you know
And if you're hurt, I can't hold you to our promise~
Hey, Kyo-han... what promise ?
Oh yeah, she mentioned that before ...
Y... Yuya-chan... you didn't hear anything at all!
That's right!
!?
Huh ?
Come on, Kyo...
She ain't even human, you can't do it!!
キッ
キーン

This is my chance !!
KYAAA !!
... Better luck next time, Akari ...
Yuya-chan, are you okay?
What... the fuck... was that!?
But... what would you want to do something like that?
DAMN IT!!
KYAAA!! Damn it!!
You missed again... that promise will have to wait ...
K...
Kk ...
!?
We made a promise... that if I ever managed to wound Kyo's face ...
These four years that we've been separated, I've trained in the moubntains for my chance to hit Kyo in the face!!
I fought bears like Bon, foxes like Akira and chickens like Hotaru!!

Then... Kyo would marry me !!
K ...
KYO!! I'LL KILL YOU! KYO!! DIEEEE!!
Wah, Yuya-chan. Calm down!!
You asshole!! How can you promise to marry somebody over that!!
What do you think women are, you pig ?!
What? You wanna make a promise, too?
Fine by me...
DIE !! DIE EEE !!!
Whoa, Yuya-chan!!
You misunder stand! Kyo can never marry Akari!!
Kyo only said that because he knows he'll never lose!!

Oh, you're brave... so you think you're going to spill my secret? Well, how about I tell everyone that you used to be so afraid of caterpillars that you would cry?
And further more, Akari is a ...
Wow, if she trained four years in the mountains, she must really love Kyo...
I think your wound opened up again
One day...
One day... I'm going to kill her...
Here she goes
Yes... ever since I set eyes on him all those years ago, I've been a prisoner of love ...
Once upon a time...
There was a beautiful princess born with magical powers, who obtained
a secret magic scroll

I've come to rescue the princess !
... My prince !!
When Akari-san talks, I don't know when the truth stops and the lies begin ...
But I don't want to be a foot soldier ...
That's a total lie, except for the part about the secret Buddhist teachings
And the prince and the princess fell in love at first sight, and they passionately embraced ...
That's because I've already started lying
I'm... a foot soldier ...?



But... my words sound false even to me ...
Kyo is already ...
Huh ?
...
Akari was born with above-average magical abilities. She's a shaman
So while the Mibu were busy exterminating all the shamans, Akari ran into us
Exterminating the shamans ... you mean, just like Nozomu-nii and Sakuya-san ?!
Yeah... I heard it from Taihaku. The Mibu had a lot of shamans living in their lands ...
But now they're almost wiped out, except for Akari of course
Kyo

When we met her for the first time, you wouldn't believe what we saw...
Or at least it was ...
So this is really where the keep the secret Buddhist magic ?
What would the Mibu be doing here ?!
... There's nothing here
I wonder what it's doing there ...
Well, I guess you can't trust rumors...
Ah ...
Kyo, look! Is that made by the Mibu ?!
Was when we met Akari ...
And that ...

One figure stood coldly ...

In a sea of carnage ...

...

What is she talking about ...?

I will not be defeated !

Leave now. This is your last warning

I'm warning you, I'm a monster ...

... There's no point in sending more troops. If you don't want to end up like these men, leave now

Ah ...

Hey ...

What's up with these corpses ?

They look mummified ...

We're not your enemies ...
And since we're all going the same way... might as well go together
Intere sting ...
... You didn't flinch ...
!?
You can come with me

Whatever
W... with you !?
What are you talking about !?
I'm not a normal human... you can't just decide things like that !
I intend to destroy a certain clan... do you really want to be involved with that ?!
Whether you come or you go ...
That's your decision
And Akari was with us from then on
Of course, there were a lot of people who wanted to use her power... but nobody saw the real Akari
Akari was born with such strong powers that people called her a "monster" even when she was just a kid... so she grew up all alone
And we found out more about her ...

That was probably the first time something like that had happened in her life ...
When he looked into her eyes, all he saw was Akari. And he asked her to come along ...
But Kyo was different... he was just amused by her powers
But I don't think she's as terrible as they say ...
Bon, you idiot! What are you telling them?!
Okay, so maybe I haven't heard her be "that" nice, but ...
And then she found the place she belonged in the Shiseiten ...
She was all alone ...
Akari-san is one of the Shiseiten ...
I see ...

I can tell they mean more to her than anything ...
You pig!! You must have a lot of balls to go telling my secrets !!
It wasn't me, I swear! It was Akira!!
Don't drag me into this!!
ゴゴゴゴ
Me either
And I think being with the Shiseiten is better than being all alone ...

It was your fault, so no medical treatment for you
The Mibu are still ...
Even so ...
But ...
... she's "The Worst"
Even though I must be on my way to confront the Mibu Clan, it must have been fate that I stopped here ...
...I will never understand her...
... But really ...
If I can't have Kyo, then I'll take that guy!
But... maybe I'll run into that super-sexy Mibu guy again ...
Akari-san ...?
The last time we met... yes, I loved him ...
I love him ...
And I want to kill him ...

Anyway ...
He's a total idiot! Stupid Kyo ...
She's fixing her clothes
Womanizer!
Demon!! Beast!!!
Boob -grabbing monster!!
Why should I care ?!
It's got nothing to do with me!!
To think that if she hits him in the face, they're goint to get married ...
But Akari-san was really serious
Excuse me, would you mind if I used this spot too ?
Go right ahead!
After all, we're both girls!
It's not like "I" want to become his little woman !!
Yuya-saaa an~!
I don't know what to think... she was hunted just like Nozomu-nii ...
But... the more I hear about Akari-san ...

Let's see... he's really brave, but really kind, too...
So, Yuya-san, what do you think of that Sasuke-kun ?
Husband --?
That boy is going to grow up to be a fine man~!! Hey, Yuya-san, are you going to start looking for a husband? You've got a good eye for men~
Really? I thought so!
I just had that feeling
A... a really good secret ...?
Oh, hey, you know, that Sasuke-kun told me a "really" good secret~
Bye !
See you later !!
Well, as for me, I'm sticking with Kyo~
What was that just now ?!
Sasuke-kun's secret... I wonder what that could be...
Although I can't really trust anything Akari-san says

Well... I don't really remember ...
We were broke and hungry when we heard the rumor about that place ...
Hmm ?!
So... Just what were you and the rest of the Shiselten doing in that place where you found Akari ?
We heard there was a really wealthy monastery in the mountains, and that there was a really beautiful and really powerful Buddhist nun there, so we were going to swindle her ...
But it turned out that the nun was really a guy in drag, and that he had heard the same rumor and already taken all the money
At least I think so ...
You were going to cheat her? But...
Oh no, Yuya-san, you pervert –!
Hey, wait a minute!! What did you do just now?!
I guess it wasn't all just a rumor, though. Akari-chan is pretty strong with that magic stuff
What, I didn't tell you?
Did you just say she was a... a CROSSDRESSER ?!
ましか!
What was that ?!
WHO CARES ABOUT DETAILS LIKE THAT?!
Well, to be totally accurate, it wasn't in the mountains, it was a town...

That there are no women ...
Allowed in the Shiseiten ?
Akari's real name is Mitarai Toukichirou ... and she's all male
Oh Kyo, don't call me that~
How embarassing ...
いやあぁ
Yuya-chan!! Yuya-chan, hang in there !!
Or maybe it was in the mountains after all...
So... I was in love with a man?
... Just as I thought. That guy was weird...
